I want to know God's heart, love the things He loves, do the things He does, see with His eyes, ask and receive His understanding, and live for Jesus with the same passion with which He died for me.

Karissa

Edwards

9.4.1984 - 11.13.2005

Throughout my life, as I have read about or seen examples of the type of person I would like to be, I have noticed that those people are all passionate and talented yet humble and wise. I would be most honored to be likened to these people, and compliments from them mean the world to me.

I want to be remembered as God's hands, feet, and mouth-piece on earth - a living example of Christ, who not only had God's Word hidden in my heart, but also lived by it.

I want people to remember me as a souled-out woman of God who unashamedly proclaimed truth and boldly followed God's voice. I want people to say that I was so sensitive to God's voice and His Spirit that I followed His will without exception.

Jesus said to let our light shine before men that they may see our good works and glorify our Father in Heaven - that is what I want to do, to shine brightly in every area of life, but to do so in a way that would direct the glory and attention solely to God and inspire others to live even more passionate lives for Him.

December 21, 2004, the day Patrick went home to be with His Heavenly Father and to begin the greatest adventure of all. We will miss him, but know we will see him soon.

Patrick

2.3.1983 - 12.21.2004

Kibler

His friends at George Fox became his family and enjoyed extreme sports with him. The love of his life was Liz Clark and they had amazing plans for their future together. His professors understood him, held his feet to the fire, and allowed him to have the personal relationships that were so important to him. His May term to New Zealand and Australia was a turning point in his life. He realized what "community" meant and was grateful to be part of one.

February 3, 1983, the day Patrick Robert Kibler came bursting forth with energy and loud lungs. He became a Child of God at the age of 3 and loved Him his whole life. His favorite Bible verses were Romans 5:1-5. He prayed for his brothers before they were born and his true legacy to them was mentoring them and spending time with them. He loved just being with them in the boat, playing Risk, shooting hoops, or lifting weights. He treasured his time in Alaska hiking with his Dad and homeschooling with his brothers and his Mom.

His life was not in Vain...
 We will love him forever...
 We will love him always...
 IVI

His true legacy was his relationships. Being able to help others think through their situations to achieve a positive and Godly resolution was always his goal. Patrick, along with his brothers Kevin and Scott, had plans to start a company named Niveus. In his honor a scholarship fund was started at George Fox which will fund future Senior Capstone classes.

go and do... serve day

This day was all about serving the **community** of Newberg. It's a day devoted to getting dirty, **sharing** stories, creating memories, and having fun! "For even the Son of Man did not come to be served, but to serve, and to give his **life** as a ransom for many." ~Mark 10:45

86 retreats

As the daylight dimmed from the sandy beach, students appeared along with the stars. **The** excitedly stomped on the sand, creating phosphorescence algae sparks. As the **excitement** slowed and people returned to their cabins, a group **of** kids stayed on the beach, glorifying God in His wondrous creation. The retreats were spiritually challenging and called for true **growth**.
